Product Description

Premium Lighting Solution USB LED Illuminating Bulb with Adjustable Color Temperature

Product Description:

Introducing the USB LED Bright Bulb – the perfect solution for illuminating any space. The USB LED Illuminating Bulb is a convenient and affordable way to light up a room without the need for complicated wiring. With its 5V voltage, it can be plugged into any USB port, making it easy to install and use. The bulb is available in two different light colors: Warm White and White, giving you the option to customize your illumination. The ON/OFF cable also makes it easy to control the light intensity of your USB LED Illumination Bulb. With the USB LED Bright Bulb, you can easily add a touch of brightness to any room.
