Packing and Shipping:

Packaging and Shipping of Dimmable LED Light Bulbs

Dimmable LED light bulbs are packaged in a hard plastic shell that is designed to protect them during shipping. The bulbs are then placed in a cardboard box that is securely sealed and labeled with the product name and a tracking number. The package is then shipped via a reliable carrier such as UPS, FedEx, or DHL. Customers can track their order online through the carrier's website, or they can contact customer service for assistance.
