

1000lm Energy Efficient Plant LED Grow Lights Illuminate Lighting Solution

Our Product Introduction

for more products please visit us on led-lightsbulb.com

Basic Information

- Place of Origin: Shenzhen, China
- Brand Name: NCJ TECH
- Model Number: NPL01
- Minimum Order Quantity: 100 pcs
- Price: Negotiation
- Packaging Details: White box + Outer box (K=A)
- Delivery Time: 1: Sample and small order: Within 7 working days after receiving your payment. 2: Bulk order: 3-4 weeks after receiving your deposit.
- Payment Terms: T/T, Paypal
- Supply Ability: 10000pcs per month

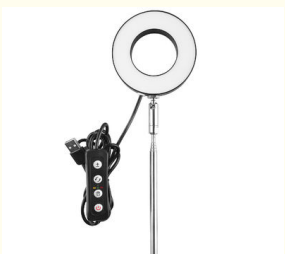

Product Specification

- Lifespan: 50,000 Hours
- Power Consumption: 10W
- Input Voltage: 5V
- Beam Angle: 120°
- Lumen: 1000lm
- Highlight: 1000lm Energy Efficient Plant Grow Lights, Energy Efficient Plant Grow Lights Illuminate, Plant LED Grow Lights Illuminate

Product Description

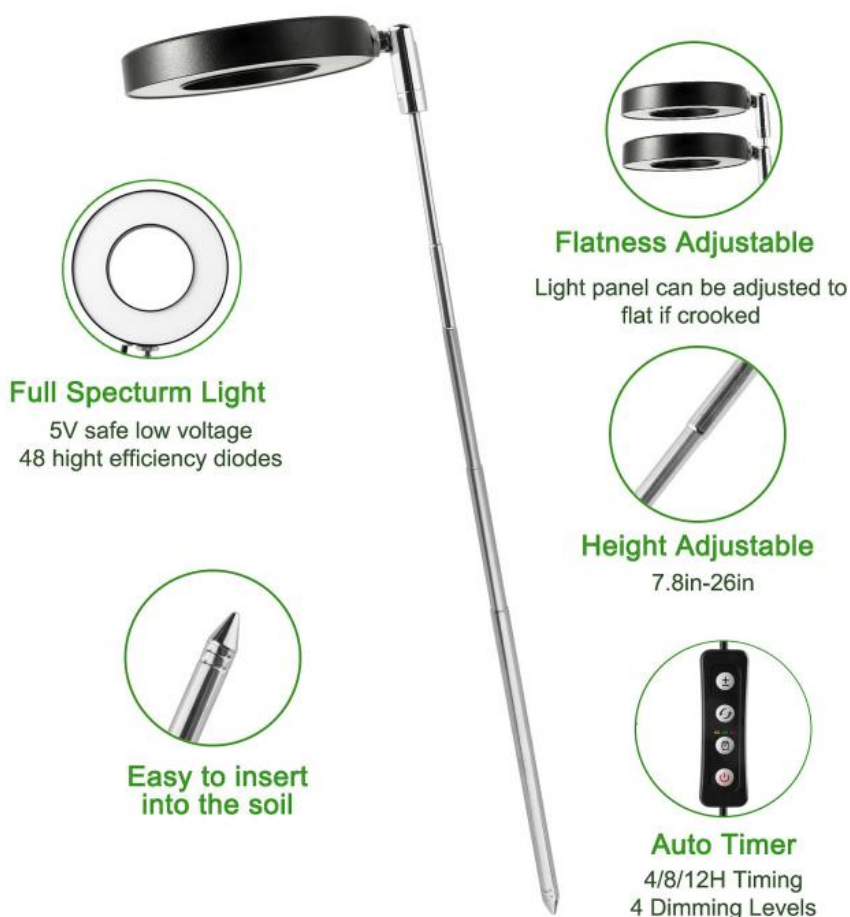

NCJ TECH LED Plant Grow Lights Promote Healthy Plant Growth with 10W Power Consumption

Product Description:

NCJ TECH LED Plant Growing Illumination is the perfect lighting solution for plant growth. As a high-performance, energy-efficient lighting solution, our LED Plant Growing Illumination offers superior lighting quality and reliable results. Featuring an input voltage of 5V, a lumen of 1000lm, and a power consumption of 10W, our LED Plant Growing Illumination is designed to optimally illuminate your plants for optimal growth. With a lifespan of 50,000 hours, our LED Plant Growing Illumination ensures reliable and long-lasting performance. Get the perfect lighting for your plants with NCJ TECH LED Plant Growing Illumination.

Technical Parameters:

Product Attributes	Details
Brand Name	NCJ TECH
Beam Angle	120°
Power Consumption	10W
Lifespan	50,000 Hours
Lumen	1000lm
Input Voltage	5V
Product Name	LED Plant Growing Illumination/ LED Plant Growth Lights/ LED Plant Growing Lights

4 Dimming Levels

Applications:

Support and Services:

LED Plant Grow Lights offer users a variety of technical support and services to ensure their product works effectively.
Technical Support:

24/7 customer support
Live chat and phone support
Online manual and troubleshooting guide
Services:

Installation and setup assistance
Warranty and repair services
Replacement parts and components

Packing and Shipping:

Packaging and Shipping:

LED Plant Grow Lights will be carefully packaged in a corrugated box to ensure that the product is not damaged during shipping. All items will be shipped via a reliable shipping carrier. We will provide a tracking number if applicable.
