Basic Information

- Place of Origin: Shenzhen. China
- Brand Name: NCJ TECH
- Certification: CE
- Model Number: NPL01
- Minimum Order Quantity: 100 pcs
- Price: Negotiation
- Packaging Details: White box + Outer box (K=A)
- Delivery Time: 1: Sample and small order: Within 7 working days after receiving your payment. 2: Bulk order: 3-4 weeks after receiving your deposit.
- Payment Terms: T/T, Paypal
- Supply Ability: 10000pcs per month

Product Specification

- Lifespan: 50,000 Hours
- Power Consumption: 10W
- Beam Angle: 120°
- Lumen: 1000lm
- Input Voltage: 5V
- Highlight: 10W LED Plant Grow Lights, LED Plant Grow Lights High Lumen, 10W LED Grow Lights

Product Description

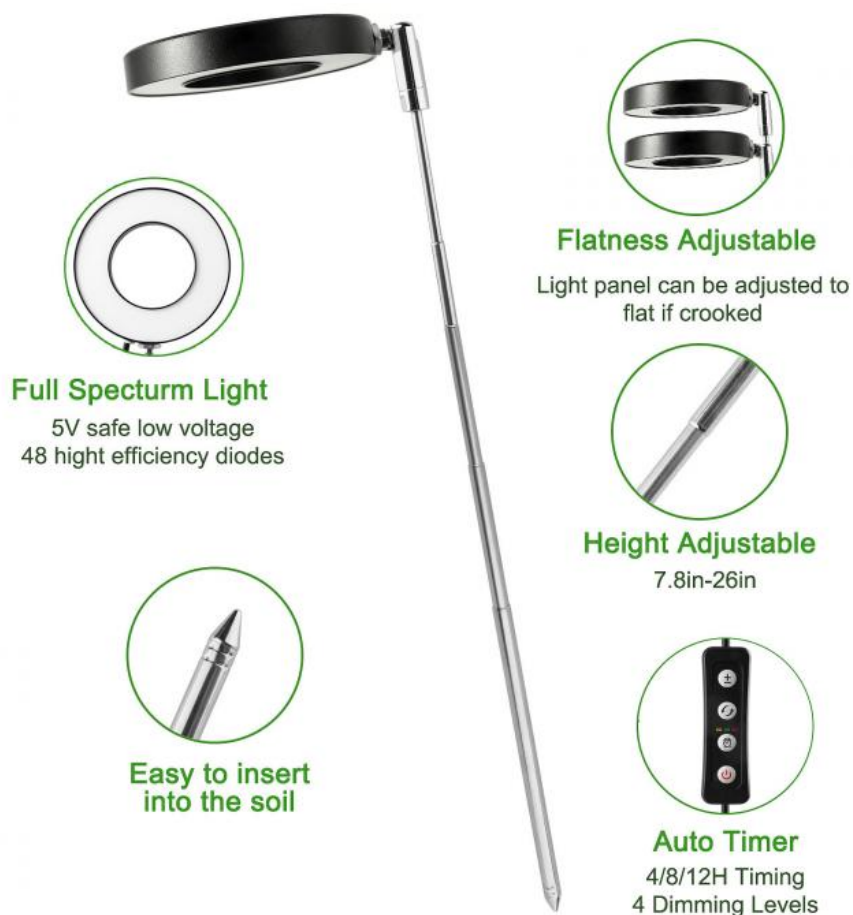

NCJ TECH LED Plant Grow Lights - High Lumen Output 1000lm 120° Beam Angle

Product Description:

NCJ TECH LED Plant Grow Lights offer an efficient and cost-effective solution to the challenge of providing optimal lighting conditions for plant growth and development. With a power consumption of just 10W and a lumen of 1000lm, these LED Plant Grow Lights are energy-efficient and long-lasting, providing illumination for many years with a lifespan of up to 50,000 hours. The 5V input voltage makes them easy to install and use. With their advanced LED Plant Growing Illumination, LED Plant Growing Lighting and LED Plant Growth Lighting technologies, NCJ TECH LED Plant Grow Lights are the perfect choice for providing your plants with the ideal lighting conditions for healthy growth.

Technical Parameters:

Parameter	Specification
Product Name	LED Plant Grow Lights
Lumen	1000lm
Lifespan	50,000 Hours
Beam Angle	120°
Power Consumption	10W
Input Voltage	5V
Brand Name	NCJ TECH
Keywords	LED Plant Growing Illumination, LED Plant Growing Lighting, LED Plant Growing Lights

4 Dimming Levels

Applications:

Support and Services:

LED Plant Grow Lights Technical Support and Service

We are committed to providing our customers with the best LED Plant Grow Lights available and top-notch customer service. Our team of experienced professionals is always available to answer any questions you may have and help you get the most out of your LED Plant Grow Lights.

If you need technical support for your LED Plant Grow Lights, we have a dedicated team of experts available to provide assistance. Our team is knowledgeable in all aspects of LED Plant Grow Lights and can help you with any issues you may have.

We also provide excellent customer service and are always happy to answer any questions you may have. Our customer service team will do whatever they can to make sure you are satisfied with your purchase. If you are ever unsatisfied with our service, please contact us so that we can resolve any issues you may have.
